~608 East Ocean Center~

East Ocean Center is just down the street from the McDonald's and the New Otani Chang Fu Gong Hotel on the southeast corner of Jianguomen Bridge. The first floor entrance has two metal sculptures resembling dragons on either side. There is an SPR Coffee sign (green and circular) on the left side of the building. Take one of the two elevators at the back (that serve floors 1 thru 9) to the 6th floor and turn left at the hallway.
